PUBLIC TRANSPORT

Your tickets	30-day electronic ticket (unlimited rides, all buses and trolleybuses) Your ticket is topped up on your transport card
Transport card	On the first day of mobility you will receive your transport card It is individually assigned (by name): do not swap it with your friends On the last day of mobility these cards will be collected
Activating your ticket	Press your card to against yellow box in the bus / trolleybus during your first ride. You will hear signal. This way you will activate ticket. When your ticket is activated, you do NOT have to check in your card every time you ride public transport. Just have it with you for control. If you want to see the ticket expiration time, press your card against yellow box again. You will see your ticket type and expiration date and time ("galioja iki") on the screen.
Important to know	Always have your transport card with you. If you forgot to take card, buy a one-ride ticket from the bus driver (1 €). Penalty for ride without ticket: minimum 8 €. If your card is lost or broken, inform your moderator immediately. We will give you a new card and transfer your current ticket.
Types of public transport	Trolleybus (red lines) Regular bus (blue line) Fast bus (green line) – it stops NOT in all stops
Route planners online	http://stops.lt https://www.trafi.com/lt/vilnius http://maps.google.lt
Mobile apps	Google maps Trafi

TRAINEESHIP PROGRAM

Where to find detailed program

The detailed traineeship program and travel details are in the shared Google Calendar.

Shared Google Calendar

The title of the calendar is MOB16-PL-24+2

Your email will be added to the shared Google Calendar. Please make sure you use Gmail / Hotmail account.

You will receive email confirmation that a new calendar has been shared with you. Click the link to get to your calendar

How to start using the app

1. Download Google Calendar from Google Play / App Store
2. Register with the same email
3. See: settings -> other calendars -> make sure the MOB16-PL-24+2 calendar is active (tick)
4. Synchronize this calendar to download all events to your app

How to use calendar on the app

Make a Day or Schedule view

You will see start and end time of each event during that day

Click on the event to see more details: read the description part, as it might (depending on event type) have such information as:

- Topics of traineeship
- Public transport routes
- Names of moderator (and translator) who will be with you
- Other important information

Using offline

Google Calendar works offline

Google Maps with public transport routes does NOT work offline

For using the public transport routes offline we recommend:

- While in WiFi area, use the given link to go to Google Maps
- Make screenshot of the trip
- Save picture
